

# Tornado/Severe Thunder Storm

## Current policy for Cancellation

We will keep an eye on inclement weather during the spring. If there is a tornado watch, we will proceed with CCD. However, if a tornado warning signal has gone off any time after 12:00 p.m., we will automatically cancel CCD classes.

If a tornado warning has occurred during the day, but the “all clear” has been given by 12:00 p.m., we will proceed with class. If the “all clear” does not come until after 12:00 p.m., we will cancel class regardless of how the weather appears at that time.

If a Tornado Warning occurs during class time, we will follow our tornado safety procedure and take shelter in the cafeteria in the school basement. All windows in the cafeteria are hurricane proof.

In order to determine if classes have been cancelled, please do one of the following things:

- A. Call Anne Fackler’s voicemail at 345-1658.
- B. Check the St. Monica Parish website at [www.stmonicachurchkzoo.com](http://www.stmonicachurchkzoo.com). The cancellation will be visible on the first page of the site.

**You should not anticipate a telephone call to your home!**

If we decide to proceed with class and you feel the drive will not be safe for you and your family, please remain at home. Many of you travel a fair distance to class and often the outlying areas are far more severe than the city. Please put safety first.

# Snow Days

## **Current policy for Cancellation**

If by 12:00 p.m., we determine that the weather is too severe, we will cancel CCD classes. In order to determine if classes have been cancelled, please do one of the following things:

- A. Call Anne Fackler's voicemail at 345-1658.
  
- B. Check our parish website at [www.stmonicachurchkzoo.com](http://www.stmonicachurchkzoo.com). The cancelation will be visible on the first page of the site.

**You should not anticipate a telephone call to your home!**

If we decide to proceed with class and you feel the drive will not be safe for you and your family, please remain at home. Many of you travel a fair distance to class and often the outlying areas are far more severe than the city. Please put safety first.

## **If Snow Storm/Blizzard happens during CCD classes:**

Continue with class as normal. Any parent who wishes to pick-up their children early must sign them out with their individual teachers. Catechists should use the "Parent Sign-out Sheets" kept in their attendance folders.
