Questions & Answers

### **Who is Mary, the mother of Jesus?**

Why is Mary so important to Catholics, and why have so many people been devoted to her over the centuries? What can we learn about her from Sacred Scripture? Find out the answers to these questions and much more in this Lectio series on Mary.

Featuring the insightful biblical teaching of Dr. Brant Pitre, *Lectio Mary: The Bible and the Mother of God* examines what Scripture, the life of Christ, and the early Church fathers reveal about Mary. By closely examining the connections between the Old and New Testaments, Dr. Pitre presents clear and easily understood explanations about the life and identity of Mary, the Mother of God.

With the artistry of the Augustine Institute's LECTIO series, this dynamic video program and accompanying workbook combine an in-depth biblical study with insightful questions, answers to common misconceptions about Mary, and personal reflections to lead the participants into a deeper love for Mary and a clearer understanding of her role in the Christian life.

Each session meets the requirements for two hours of
